## Pray For A Change In Attitude Towards Christianity

Many Hindus turned to Christ between 1880 and 1930. However, many consider Hindus as “untouchables” and thus despise the origins of the church, as it reached Hindus first. Also, Christianity is seen as an extension of US global dominance. Recent military action in Iraq and Afghanistan have inflamed this view and led to violent attacks against churches. Pray that many would realise that God rules over the whole world and is the God of all the peoples.

At the name of Jesus **every knee shall bow**, in heaven and on earth and under the earth, and **every tongue confess** that Jesus Christ is Lord, to the glory of God the Father.  
- Philippians 2:10-11

## Earthquake Victims

A recent earthquake has killed almost 50,000 people. Pray for the those who have lost everything for everyone working on the relief effort. Give thanks and pray for the increased co-operation between Pakistan and Indian.

## The Government

Pray that work to decrease poverty and military spending would continue. Pray that laws would be implemented that give equal rights to Christians and don't hinder the spread of the gospel or make conversion illegal.
