Cambridge University Rambling Club Michaelmas Term 1991

We go rambling every second weekend in Full Term. New ramblers are welcome at any time—there's no need to sign up beforehand. The rambles explore the villages and countryside around Cambridge. We often stop off briefly in a village pub to sample the atmosphere and eat our lunches—but don't count on it! Between terms we try to arrange holidays further afield. Membership is free. Items to bring/wear are: boots or strong shoes; waterproofs and warm clothing; money for the train or bus; liquid refreshment and a packed lunch.
